

We would like you to meet

Ruby The Reading Fairy

Library fairies live in libraries all around the world and the International Association of Fairies (IAF) has recently asked the Riverview Public Library if there was any chance children could write to our Library Fairy, Ruby the Reading Fairy. The IAF explained to us that these fairies absolutely love to live in libraries as they enjoy the peace and quiet and they just adore seeing little people coming to visit, reading and borrowing books. They told us that Ruby has been spreading happiness far and wide and that she has been feeling a little sad lately.

*So now, we ask you for
your help!*

*This mission is only for the
truest of believers!*

If you would like to take part, all you need to do is write a teeny tiny fairy note to Ruby and place it inside her mailbox or near her door. You can tell her about your favorite book, favorite place to read or your plans for summer vacation!

Some things to remember – these library fairies are gifted readers but not writers so they will not be able to write back. Just receiving a note will mean the world to them. As for what to write, it's up to you. There's no need to include any personal details, maybe just your first name if you want!

Many Thanks,

Everyone at the Riverview Public Library & International Fairy Association HQ
