*A History Lover's Guide to Detroit* allows readers to step inside the tiny recording studio where Berry Gordy, a young entrepreneur who faced tremendous prejudice, created a music empire that broke down racial barriers. Discover Art Deco masterpieces so spectacular they're called "cathedrals" to commerce and finance. Walk in the footsteps of Dr. Martin Luther King Jr. to Cobo Hall, where he first delivered his "I have a dream" speech. Risko highlights an amazing history of innovation, philanthropy, social justice and culture.
