### Every day is lucky at your Library!

March is here & we feel lucky to be able to offer our community a month full of activities for those of all ages & interests. March 9, families will hear St. Patrick's Day stories and make their very own leprechaun traps and mini donuts to use as bait. Those who can't attend on 9th are invited to check out our Puzzle Competition & Family Storytime for fun, quality time together. On March 11, adults of all ages will learn how to cook delicious meals using ingredients found at discount stores. Cooking not your thing? We also have our monthly Open Mic Night, Art Night and a visit from a Jazz Trio to entertain you after a long day at work. We hope that you have a lucky March & that you will come visit us soon & often!
