

To the Riverview Library & Beyond!

Galactic Events for the Whole Family | June 17 – August 7, 2019

Stories & Crafts for Readers of All Ages

All Ages Storytime

Mondays @ 11:00 a.m. | June 24 – August 5

Reading & space enthusiasts of all ages will hear space-themed stories, play games and make a take-home craft. Free pizza lunch provided to participants ages 0-18. Lunch includes 1 piece of pizza per child and a drink.

Registration begins June 3.

Toddler & Preschool Storytime

Wednesdays @ 11:00 a.m.

June 26 – August 7

Wednesdays are just for the lil' ones. Toddlers and Preschoolers ages 0-5 can join us for stories, songs, and games. Bagged lunch provided.

Ages 0-5. Registration begins June 3.

PBS: *Chasing the Moon* Special Preview

Monday, June 17 @ 6:30 p.m.

PBS Documentary Preview: Chasing the Moon

We have the privilege to screen a 30-minute preview of PBS's special three-night event *American Experience: Chasing the Moon*. This six-hour documentary centers on the space race, from its earliest beginnings to the monumental achievement of the first lunar landing in 1969 and beyond. We will be watching an excerpt from "Part Three: Magnificent Desolation" that takes a look back at the tension and excitement surrounding the launch of Apollo 11 on July 16, 1969, all the way up until the lunar module lands on the moon.

All ages. Registration begins June 3.

Extra Stellar Events @ the Library

Thursday, June 27 @ 11:00 a.m.

Nerf War! with Joel Tacey

Patrons will run, dodge and dive as they try to outwit & out-last the competition during NERF Mobile Games!

All NERF equipment provided. Bagged lunch provided.

Ages 6+ Registration begins June 17.

Tuesday, July 2 @ 11:00 a.m.

Drumcommunity

Join us in this high energy and fun circle of hand drums & percussion toys. No musical experience is necessary.

Bagged lunch provided.

Ages 4+ Registration begins June 17.

Thursday, July 11 @ 11:00 a.m. & 12:00 p.m.

Space Science Experiments with Ms. Wassick

Come & join us for a fun hour of awesome space-themed science experiments with mad scientist Ms.

Wassick! Experiments will include making edible slime and creating lunar colors that dance on a milky surface.

Bagged lunch provided.

Ages 6+ Registration begins June 24.

Thursday, July 18 @ 11:00 a.m.

The Supernatural Intergalactical Summer Reading Magic Spectacular

A2 Magic is landing at the Riverview Library for an awesomazing, interactive magic show for the whole family. Each child will take home a free, space-themed magic trick and gravity-powered reflex tester! Bagged lunch provided.

All ages. Registration begins June 24.

Thursday, July 25 @ 11:00 a.m. & 12:30 p.m.

Science Alive!

Animal enthusiasts of all ages will meet an array of friendly critters from the animal world. Everyone who attends will get the opportunity to touch each creature and learn fun facts about our animal friends! Bagged lunch provided.

All ages. Registration begins July 3.

Thursday, August 1 @ 2:00 p.m. & 3:00 p.m.

Exploration of the Night Sky with Starlab Planetarium

Explore the wonders of the night sky in the portable, inflatable Starlab Planetarium. Stargazers will take a star walk into the planetarium and have the opportunity to see the Northern Hemisphere, night sky and much more! Bagged lunch provided.

All ages. Registration begins July 11.

Monday, August 5 @ 11:00 a.m.

Summer Reading Celebration!

Help us celebrate the conclusion of the summer reading program with treats, outdoor activities and a visit from our friends at the Riverview Fire Department & Police Department. Lunch includes 1 piece of pizza and 1 drink per child.

All ages.

Registration begins July 11.

Registration is required for all events. Registrants are guaranteed a free lunch and craft materials.

Please call 734-283-1250 or stop by the circulation desk to register!
